

Mountain Global
Connecting You to the World!

It's back again!

Summer Business Tune Up Special!

Is the economy slowing down your business? If so, why not give it a tune up! For less than it would cost you to have your vehicle tuned up, Mountain Global will come to your business and run a complete diagnostics on your business operation so that it is operating at peak capability. We will identify areas to improve your business performance and to enhance your bottom line.

Business Tune Up includes:

- *Inspecting for Cash Flow Leakage*
- *Fine tuning the Sales Engine*
- *Pricing diagnostics*
- *Weather proofing your business for economic uncertainties*
- *Identifying potential organizational structure issues down the road*
- *Testing the Marketing Message*

Mountain Global's
Summer Tune Up
Special is only:
\$995

Offer is valid through July 31, 2009
